In late October the language Supply Corporation, 24 Connaught Road, Hong Kong, was offering 20,000 metric tons of dead burned magnesite of Manchurian origin for export. They asked T. O. WONG and Company* for a bid, and claimed the entire tonnage could be delivered within five weeks to Far Eastern norts via Soviet ships. The Yangtze Supply Corporation has asked T. O. WONG and Company to handle the matter for them.

25X1A

Comment: The Tangtze Supply Corporation is the cover company for Soviet purchases of tin, antimony, wolfrem and rubber in Hong Kong and Macau.
